

**Nicole Brosious**  
Senior Associate  
NAI Capital

**What is your specialty?** Commercial Real Estate Investment Sales.

**What types of referrals are you looking for?** Buyers and Sellers of Commercial Real Estate Investment properties

**Why did you decide to join CREW?** I believe it is important to support and be supported by other women in a predominately male driven industry. I was passionate about joining because I believe CREW is an active participant in advancing and empowering women. I like the idea of being a part of an organization that actively gives women resources and encouragement to embark on and succeed in their career of Commercial Real Estate. I've been fortunate to have strong women as role models in my life and been successful in my Commercial Real Estate career. This is a way for me to give back and also receive support.
