My name is Paulina Martinez. I have over 5 years of experience as a residential property manager. My specialty includes, management, strategic planning, and leasing. Through my experience in residential real estate I have acquired a variety of skills including; marketing, advanced product knowledge, closing sales, accounting, and preparing financial reports.

I am currently a full-time student in Cal Poly Pomona in the Finance, Real Estate, and Law undergraduate program. I will be graduating in May 2019 and am currently seeking an internship. I have both an interest in the legal field and in commercial real estate and am hoping to find a suitable position in this industry. I am available part-time from 20 to 25 hours a week.

I am fortunate to be one of the 2018 recipients of the CREW-IE scholarship. Being a part of CREW provides a very strong professional network, great mentorship, and genuine support.
