

Blockchain: Disrupting the Way We Work

Blockchain, Bitcon & CRE

"Nearly one in 10 executives "don't really understand blockchain and what it does," but 37% of executives expect blockchain to start having an impact on the real estate industry within the next two years, and 38% are investing in the technology either directly or indirectly." - Altus Survey

Join CREW Inland for our Lunch program with *David Bitner, Vice President - Americas Head of Capital Markets Research with Cushman & Wakefield* as he discusses how blockchain - the technology behind cryptocurrency - has the potential to disrupt the commercial real estate industry.
