

Lucas Sceranka

Business Development Officer
Enterprise Funding Corporation

What is your Board Position?

Treasurer

Why did you decide to join the Board?

In 2014, I was asked by long time member and at the time board member, Jeanne Batista, if I'd be interested in joining the group and serving as Treasurer. I was happy to say yes, and quickly discovered what a great group of people were involved in the chapter.

What is your specialty?

Providing financing to business owners, via the SBA 504 loan program and helping them through the application process. Specifically, I can provide low-cost financing for the purchase of land, buildings, improvements, new construction, long-term machinery, equipment and also to refinance existing debt.

What types of referrals are you looking for?

Business owners who are looking to own their land and or building, or are looking to renovate or build and are looking for a low down payment to preserve working capital, and a long-term fixed rate of up to 25 years.

What are your Goals for the Board this year?

To continue the push to increase our membership and communicate the benefits of being a part of this group both on the local and national level. We strive to add value to our members in ways beyond simply getting together to network, and put a lot of thought into our programming, which I would like as many people to know about and get involved in as possible.
